

'Transactions of the London Natural History Society' 1915 – 1921, and 'The London Naturalist' 1922 – 2009 : List of Contents

NOTES

- Contents are listed by volume.
- Book reviews, list of contributors of records, instructions for recording and other ephemeral content have been excluded.
- Indexes or lists of selected contents were published in Vol. 31 (covering the years 1914 - 1951), Vol. 52 (covering the years 1953 -1972) and Vol. 64 (covering the years 1892 - 1914) and Vol. 73 (covering the years 1973 - 1993)
- The first five volumes of the London Bird Report (1936 -1940) were issued as supplements to the London Naturalist. Their contents have been listed in the separate List of Contents for the London Bird Report, and are not reproduced here.
- Information in square brackets has been added by the compilers.
- '(P)' denotes 'presidential address'.
- To search for a particular word or phrase use the 'search' function in Adobe Reader.
- To jump to last page: Control + End

Transactions of the LNHS for 1914 (pub. 1915)

Prout, LB:	Presidential address [except advertisements on pp. 33, 34].	31- 40
Mera, AW:	The City of London Entomological and Natural History Society.	41 -43
Newman, LW	Notes on breeding and collecting the "Sesia".	43 -48
Meares, CS:	British breeding ducks [except advertisements on pp. 51, 52].	48-69
Chapman, E:	The Middle Ages in the Wey valley.	70-74
Cockayne, EA:	Gynandromorphism [except advertisements on pp. 79, 80].	75-85

Transactions of the LNHS for 1915 (pub. 1916)

Cockayne, EA:	Presidential address [Insects and war].	31-40
Nicholson, CS:	The botany of the district.	40-43
Robbins, RW:	The flora of Epping Forest.	44-48
Sich, A:	A hawthorn hedge in Middlesex.	48-57
Bagust, F:	The treatment of nature in English Gothic design.	57-61
Williams, HB:	Notes on the life-history and variation of <i>Euchloë cardamines</i> L.	62-84

Transactions of the LNHS for 1916 (pub. 1917)

Cockayne, EA	Presidential address.	31-37
Stubbs, FJ:	The London gulls.	37-41
Prout, LB:	Some points of interest in the Geometridae.	41-48
Chapman, TA:	Apterousness in Lepidoptera.	49-76
Simes, JA:	Aspects of bird life in Europe.	77-90
Anon.	Obituary: C. A. Briggs.	98
Anon.	Obituary: S. G. Lewis.	98
Anon.	Obituary: F. Reynolds.	99-100

Anon.	Obituary: H. A. Sauze.	100
Anon.	Obituary: E. Williams.	100

Transactions of the LNHS for 1917(pub. 1918)

James, ER:	A spring and summer at Oxshott.	24-35
various:	Report on the birds of Epping Forest for the year 1917.	36-42
Anon.	Obituary: T. W. Brooke.	43
Anon.	Obituary: A. J. Scollick.	43
Anon.	Obituary: A. E. Gibb.	43

Transactions of the LNHS for 1918 (pub. 1919)

Stubbs, FJ:	Migration as a biological function.	24-29
Various:	Report on the birds of Epping Forest for the year 1918.	30-37
Anon.	Obituary: C. S. Nicholson.	38
Anon.	Obituary: D. MacIntosh.	38
Anon.	Obituary: G. Brooks.	38

Transactions of the LNHS for 1919 (pub. 1920)

Williams, HB	Parallelism in variation in butterflies.	13-17
[Cockayne, EA]	Wing colour in butterflies and moths.	32-36
various:	Report on the birds of Epping Forest for the year 1919.	37-43
Anon.	Obituary: Lord Walsingham.	44
Anon.	Obituary: W. R. Dodd.	44-45
Anon.	Obituary: Mrs H. A. Allpass.	45
Anon.	Obituary: W. C. A. Austin.	45
Anon.	Obituary: C. Flowers.	45

Transactions of the LNHS for 1920 (pub. 1921)

Anon.	Obituary: C. Murray.	13
Swann, HK:	Birds seen in Andalucia during spring, 1920.	14-19
Various:	Report on the birds of Epping Forest for the year 1920.	36-42

The London Naturalist

Vol. 1 (1922)

Robbins, RW:	Presidential address. (P).	v -viii
	Obituary: Arthur William Bacot.	xvii -xx
	Obituary: T. A. Chapman.	xx
	Obituary: Mrs Hanson.	xx
	Obituary: Thomas Hockett.	xx
	Obituary: H. Y. Loram.	xx
	Obituary: Mrs E. A. Nicholson.	xx
Fenton, RH:	The cuckoo.	1 -9
Cockayne, EA:	Structural abnormalities in Lepidoptera.	10 - 69
Austin, S:	Report on the birds of Epping Forest for the year 1921.	70 - 75

Vol. 2 (1923)

Bishop, EB:	The extreme "localness" of certain species. (P).	3 -7
Horn, PW:	Notes on the fishes of the London docks.	19 - 21
Glegg, WE:	A note on the birds of Texel. [Holland]	22 - 32
Austin, S:	The birds of Epping Forest. Seventh annual report.	33 -37

Vol. 3 (1924)

- Bishop, EB: President's address. (P) 3 -9
Greenwood, M: The medico-entomological researches of Arthur William Bacot. 24 -32
Cockayne, EA: Notes on collecting [Lepidoptera] in 1923. 33 - 35
Williams, HB: Preliminary observations on the British vanessids. 35 -
Anon: The birds of Epping Forest: a summary of eight annual reports. 36-41
Stowell, HS: Archaeological inspections, 1923. [Essex: Mucking. Kent: Cliffe-at-Hoo. London: St Bartholomew the Great. Middlesex: Ickenham. Surrey: Merstham; Mickleham.] 42 -43

Vol. 4 (1925)

- Aris, EA: In retrospect [Henry Aris, first Secretary of the LNHS, was the author's grandfather]. 3-4
Macpherson, AH: London birds. Summary of notes in 1922, 1923 and 1924. 5 -11
Stowell, HS: Archaeological inspections, 1924. [Essex: Navestock. Hampshire: Porchester. Hertfordshire: Sarratt. Kent: Shoreham. London: Guy's Hospital; Lambeth Palace; London Museum; St Olave, Tooley St. Surrey: Ockham.] 12 -14
Ross, J: Hepatics found in Epping Forest. 14
Bishop, EB: Notes on *Viola odorata* L. var. *imberbis* Leight. 15
Robbins, RW: The violets of Limpsfield Common. 16-17
Stowell, HS: Market crosses. 19 -21
Pethen, RW: The birds of Walthamstow reservoirs. A summary of observations made from October, 1919, to December, 1924. [see also [9] (1930), 69]. 22 -27

Vol. 5 (1926)

- Mera, AW: Increase in melanism in the last half-century. 3 -9
Robbins, RW: On the occurrence of certain ferns in Surrey. 9
Macpherson, AH: London birds. Summary of notes in 1925. 10 -13
Burkill, HJ: Changes in the vegetation at the Black Pond, Esher. 14- 15
Ross, J: The greater spotted woodpecker. 16 -20
Stowell, HS: Archaeological inspections, 1925. [Essex: Greenstead. Hampshire: Romsey Abbey. Kent: Eynsford. London: Westminster Abbey. Surrey: Chipstead.] 21 -22
Glegg, WE: The birds of the Shetland islands. 24 -28

Vol. 6 (1927)

- Burkill, IH: Insect vision. 3 - 6
Macpherson, AH: London birds. Summary of notes in 1926. 7 -10
Robbins, JC: A rare sawfly. Supplementary note (May 29th, 1927). 10
Robbins, JC: A rare sawfly: notes on the life-history and distribution of *Pteronidea spiraeae* Zaddach (Hymenoptera, Tentredinidae). 11 -15
Fraser, J: British willows. 16 -22
Dallas, JES: A stoat and her family. 22
Mellows, C: Some problems of butterfly migration. 23 -36
Dallas, JES: The bird's nest orchis. 36
Robbins, RW: Rabbits and butterflies. 37 - 38
Burkill, HJ: Notes on plant galls. 38 -39
Stowell, HS: Archaeological inspections, 1926. [Buckinghamshire: Iver. London: St Mary-le-Bow. Surrey: Lingfield.] 40 -41
Hanson, PJ: Notes on birds round Winchmore Hill thirty years ago and to-day. 41- 45

Vol. 7 (1928)

- Macpherson, AH: London reservoirs and their influence on bird life. 5 -11
Watson, W: Brambles of Kent and Surrey (1). 12 -17
Forster, WC: Archaeological inspections, 1927. [Berkshire: Lambourne. Middlesex: Ruislip.] 18
Dallas, JES: Notes on the woodlark. 19 -20
Burkill, HJ: Cuckoo taking eggs. 20 -21

- Chapman, E: The wooden walls of Greenstead nave. 22 -26
 Hardiman, JP: Migration of gulls. 26
 Forster, WC: East window, Oxted Church. 27 -28
 Jackson, AB: The British elms. 28
 Burkill, HJ: Elephant hawk moth. 32
 Macpherson, AH: London birds. Summary of notes in 1927. [33]?

Vol. 7 (1928) Supplement:

- Bishop, EB, Robbins, RW & Spooner, H: Botanical records of the London Area: Part 1. 1 - 8

Vol. 8 (1929)

- Glegg, WE: The Thames as a bird-migration route. (P) 3 -15
 [Burkill, HJ]: A Mediterranean birthwort in Surrey: *Aristolochia rotunda* (Linn.) 16 -17
 Anon: *Aristolochia clematitidis* Linn. 17
 Robbins, JC: Notes on British sawflies: I. The larva and food-plants of *Emphytus carpini* Hartig. 18 -20
 Robbins, RW: A variety of *Epinephele jurtina* (Janira). 20
 Watson, W: Brambles of Kent and Surrey (2). 21 -26
 Fox, GJB: Archaeological inspections, [1928]. [Middlesex: Laleham, All Saints. Surrey: Godalming, St Peter and St Paul; West Horsley.] 27 -32
 Various: Ornithological records of the London Area [1928]. 33 -59
 Hall, LB: The smooth snake. 60
 Burkill, HJ: A cut-leaved hornbeam in Surrey: *Carpinus betulus* (Linn.) var. *incisa* (Aiton). 61
 Burkill, HJ: British butterflies in 1928. 62 -65
 Anon: Papers read to the Society [during 1928]. 66
 Niblett, M: Breeding gall flies. 84
 Anon: Obituary: J. Riches, [1848]-1928. 93
 Anon: Obituary: C.A. Cook. 94

Vol. 8 (1929) Supplement:

- Bishop, EB, Robbins, RW & Spooner, H: Botanical records of the London Area: Part 2. 9 -16

Vol. 9 (1930)

- Frontispiece: Founders of the North London Natural History Society [field photograph of seven men with butterfly nets].
 Glegg, WE: The birds of Middlesex since 1866. 3 -32
 Horblower, AB: Origins of the Society: 2. The North London Natural History Society. 33 -34
 Fox, GJB: Archaeological inspections, [1929]. [Kent: Darenth; Kingsdown. London: St Sepulchre.] 35 -38
 Burkill, HJ: British butterflies in 1929. 39 -41
 Burkill, HJ: Heterocera notes, 1929. [Moths] 42
 Hall, LB: Some recent additions to the British flora. 43 -44
 Niblett, M: *Coeliodes cardui* Hbst., a garden pest. 46
 Lack, D: Some diurnal observations on the nightjar. 47 -55
 Burkill, HJ: British gall mites. 58 -68
 Watson, W: Brambles of Kent and Surrey (3). 70 -76
 Robbins, JC: A dipterous leaf-miner in *Cephalanthera grandiflora*. 77
 anon: Obituary: Ebenezer Chapman. 113
 anon: Obituary: J. F. H. Grant. 113

Vol. 10 (1931)

- anon: P Papers read to the Society [during 1930]. 7 -8
 S[imes], JA: Obituary: Arthur William Mera, [1849]-1930. 37 -38
 S[mith], CB: Obituary: Walter Charles Grubb, [1870]-1930. 38 -39
 anon: Obituary: D. J. Mounsey, -1930. 39

- anon: Obituary: Henry T. Payne, -1930. 39
 Tremayne, LJ: The unseen Will. (P). 41 -50
 Dallas, JES: Anglo-Saxon work in our churches. 51 -57
 Fox, GJB: Archaeological inspections, 1930. [Essex: Barking. Surrey: Stoke d'Abernon.] 58 -66
 Cocksedge, WC: Some London trade signs. 66 -67
 Watson, W: Brambles of Kent and Surrey (4). 68 -74
 Bagnall, RS: Some insects of the buckthorn. 75 -76
 Burkill, HJ: British butterflies in 1930. 77 -79
 Burkill, HJ: Heterocera notes, 1930. [Moths] 80 -81
 Harrisson, TH: Birds of the Harrow district (north-west Middlesex), 1925-1930. 82 -120
 various: Ornithological records of the London Area, 1930. 121 -132
 Robbins, RW: A note on the wryneck. 132 -133
 Ward, BT, Wright, WA & Ross, J: Behaviour of woodpeckers at nesting sites, Epping Forest, 1930. 133 -134
 Collenette, CL: Some notes on robins. 135 -136
 Ross, J: The gall of *Andricus seminationis*. 137 -138
 Niblett, M: Some gall-causing Trypetidae. 139 -141
 Niblett, M: Cynipid oak galls in Surrey during 1930. 141 -142

Vol. 11 (1932)

- C[ollenette], CL: Obituary: John Cuthbert Robbins, [1905]-1931. 35 -36
 S[mith], HK: Obituary: Mrs E. L. Robbins, -1931. 36
 anon: Obituary: Edward Samuelson, -1931. 36 -37
 H[ibbert-Ware], A: Obituary: Robert Patterson, -1931. 37 -38
 anon: Obituary: James John Joicey, [1870]-1931. 38
 Buxton, PA: Studies on the biology of fleas. 39 -42
 Burkill, HJ: An introduction to the study of plant galls. 42 -47
 Lack, HL: The Romney Marsh and its birds. 48 -53
 Richardson, A: A few notes on the large wood-wasp (*Sirex gigas*). 53
 Low, GC: Some structural observations on the waders (Scolopacidae) and their bearings on the classification of the family. 54 -60
 Burkill, HJ: Notes on the coots of Fetcham Pond, 1931. 61 -62
 Robbins, RW: Some preliminary remarks on brambles. 62 -68
 Burkill, HJ: A note on aphids. 68
 Nicholson, C: *Strangalia aurulenta* F. (Col.) and *Sargus bipunctatus* (Dipt.) in Cornwall. 68
 Forster, WC: Ongar Castle. 69 -72
 Fox, GJB: Archaeological inspections, 1931. [Essex: Chipping Ongar. Surrey: Shere.] 73 -78
 anon: Ornithological records of the London Area, 1931. 79 -92
 Burkill, HJ: Plant gall records for 1931. 93 -97
 Robbins, RW: Noteworthy plant records in the London Area, made in 1931. 97
 Burkill, HJ: British butterflies in 1931. 97-99
 Burkill, HJ: Heterocera notes, 1931. [Moths] 100 -101

Vol. 11 (1932) Supplement:

- Bishop, EB, Robbins, RW & Spooner, H: Botanical records of the London Area: Part 4. 35 -50

Vol. 12 (1933)

- anon: Papers read to the Society [during 1932]. 8 -9
 anon: Obituary: Thomas Sparkes, 1875-1932. 37
 anon: Obituary: S.F. Stanley, -[1932]. 37
 Longfield, CE: Nature study through the ages. (P) 38 -48
 Cocksedge, WC: The Great North Wood. 48 -51
 Hollom, PAD: The great crested grebe in the London Area. 51 -56
 Fox, GJB: Archaeological inspections, 1932. [Essex; St Nicholas, Laindon. Surrey: St Mary, Merton.] 56-59
 Watson, W: Brambles of Kent and Surrey (5). 60 -66
 Pinniger, EB: Notes on the dragonflies of Epping Forest. 66 -72

- Boardman, S: At the bird table: are they residents or visitors? 73 -77
 Spooner, H: The fritillary (*Fritillaria meleagris* L.) 78 -80
 various: Ornithological records of the London Area. 81 -89
 anon: A corner of Essex in the 18th century. 90 -92
 Spittle, RJ: A feeding habit of *Ophonus rufibarbis* F. (Col.). 92
 Burkill, HJ: British butterflies in 1932. 93 -95
 various: Birds in the London Area, 1932. 96 -110
 Hale, RW: Bird ringing, 1932. 111 -112
 Austin, S & Pike, G: Bird sanctuaries in the London parks. 113
 Spittle, RJ: A feeding habit of *Vespa vulgaris* Linn. 114
 Burkill, HJ: Entomological notes, 1932. 114 -116
 Burkill, HJ: Plant gall records for 1932. 117 -119

Vol. 12 (1933) Supplement:

Bishop, EB, Robbins, RW & Spooner, H: Botanical records of the London Area: Part 5. 51 -66

Vol. 13 (1934)

- anon: Papers read to the Society [during 1933]. 8 -9
 Pethen, RW: Some observations of the glow-worm, *Lampyrus noctiluca* L. 38 -44
 Reader, FW: Tudor domestic mural painting. 45 -48
 Rowberry, EC: Gulls in the London Area. 48 -58
 Payne, LG: Ferns of the Home Counties. 58 -66
 Ticehurst, NF: Marks used by swan-owners of London and Middlesex. 67 -84
 Nicholson, C: *Araujia sericifera* Brot. (syn: *Physianthus albeus* Mart.). 84
 Ross, J: *Andricus furunculus* (Beyer.) Kieff. and its gall. 85 -86
 Fox, GJB: Archaeological inspections, 1933. [Hertfordshire: St Augustine, Broxbourne. Middlesex: St Mary Old Church, Willesden.] 86 -89
 Swayne, FG: Birds of the Norwood district. 90 -97
 Robbins, RW: Noteworthy plants in the London Area. 97
 Pinniger, EB: Epping Forest Odonata, 1933. 98
 Pinniger, EB: Notes on the habits of the dragonfly, *Aeschna mixta* Latr. 98
 Burkill, HJ: Three interesting plant galls. 99
 Burkill, HJ: Plant gall records for 1933. 99 -102
 various: Birds in the London Area, 1933. 103 -121
 Hale, RW: Bird ringing, 1933. 121 -123
 Burkill, HJ: British butterflies in 1933. 123 -126

Vol. 13 (1934) Supplement:

Bishop, EB, Robbins, RW & Spooner, H: Botanical records of the London Area: Part 6. 67 -82

Vol. 14 (1935)

- anon: Papers read to the Society [during 1934]. 8 -9
 anon: Obituary: John Brindley Hicks, 1893-1934. 21
 anon: Obituary: Georg Bell Routledge, -1934. 21
 Dallas, JES: Plant life in the Alps. (P) 39 -46
 Pethen RW: British Trust for Ornithology: A visit to Walthamstow heronry. 48 -49
 Homes, RC: British Trust for Ornithology: Woodcock enquiry. 49 -50

Vol. 88 (2009)

Papers presented at the conference 'London's Natural History – Past, Present and Future.' Held on 11th October 2008 to celebrate the 150th anniversary of the founding of the Haggerston Entomological Society, forerunner of the LNHS:

- Phillips, Helen: Opening of the Conference. 17 – 18
Allen, David E: Natural history societies and the London area: problems and possibilities down the years. 19 – 27
Tittley, Ian: The marine algae (seaweeds) of the tidal Thames: a systematic and floristic account. 29 – 44
Barclay, Maxwell V L: Beetles and bugs in London; a review of a changing fauna. 45 – 53
Darrell-Lambert, David: London Birds, past, present and future. 55 – 65
Morris, P A: London's mammals. 67 – 74
Spencer, Mark: Whither London's flora? 75 – 83
Goode, David: Predictions for London's natural history in 2058. 85 – 94

Other papers:

- Nicholson, Tom: Max Nicholson – environmentalist, ornithologist, author and administrator. 95 – 99
Hayes, Alister: Darwin's landscape laboratory – biodiversity began in Bromley. 101 -105
McLaughlin, Jane: Charles Darwin's lawn plot experiment. 107 – 133
Wiltshire, Elinor: Goat's-beard colony in Kensington Gardens. 115
Burton, John F and Freed, Tim H: The Lepidoptera of Blackheath and Greenwich Park, 1800 – 2009. 117 – 184
Williams, L R: London butterfly monitoring report for 2008. 185 – 194
Brooks, Stephen J, and Anderson, Neil: Cynthia Longfield's pioneering work on London's dragonflies, and her legacy. 195 – 200
Various: Survey of Bookham Common, sixty-seventh year. Progress report for 2008. 185 – 194
Duckett, Jeffrey G: Epiphyllid and epifungal liverworts on Hampstead Heath, London. 207 – 209
Waterfield, Amanda and Henrici, Alick: Kew lichenized ascomycetes – an annotated list. 211 – 222
Hyatt, Keith H: Obituary: Bunny Teagle, 1920 – 2008. 223 – 225
Ayres, Sheila: Obituary: Sir Charles Willink, 1929 – 2009. 227 – 288
Hyatt, Keith H: Obituary: Cyril Alexander Walker, 1939 – 2009. 229 – 230
